To our new patient,

Welcome! On behalf of the staff at FHV Health, we would like you to know that we are honored to have you as a new patient to our practice. We look forward to providing you with the highest quality of care from the best trained technical staff Florida has to offer. We provide a variety of treatment plans and procedures using the most sophisticated medical equipment in the area.

Enclosed you will find several forms that will need to be completed by your first appointment date. These forms will be available in the front office on the day of your appointment, but we wanted you to have the option to fill them out from the comfort of your home, if you prefer.

As a patient of FHV Health, you have round-the-clock access to a nurse or health care professional. If you are sick or need medical advice, you can always **call us first at 352-205-4439**. When you dial our 24/7 health care hotline, a trained health care professional will advise you on whether you should visit your primary care provider, our Urgent Care Center, or an emergency room.

Please remember these important things regarding your first visit to our office:

- Bring **all** your medications in a bag to **each** office visit.
- Sign the enclosed "Record Release" form for us to obtain previous records of your care.
- Keep us updated on studies or surgeries you've had since we last saw you. If you spend part of the year in another area, be sure to bring copies of any studies back with you or mail them to us.
- If you have any questions or concerns, feel free to call us during business hours at **352-728-6808** or visit **fhvhealth.com**. We promise to do everything we can to get you the information you need.

Once again, welcome to FHV Health. We look forward to your visit with us.

Yours in Health,

FHV Health Physicians and Staff
